Cal '21 - Data Science / Computer Science

[rchinnn.github.io](https://github.com/rchinnn) ← *find out more about me here!*

rond24933chn@berkeley.edu - (408) 908-9187

Responsible and organized, able to see the bigger picture and plan accordingly. Seeking to build my coding skills and involvement in community.

SKILLS

- Great time management - varsity & CCS swimming 4 yrs, helped plan fellow swimmers' events in meets
- Interacting with people - tutored math for 2 years and taught pre-swim team and lessons this past summer
- Project planning - coached groups of swimmers, planned logistics of local library events

EDUCATION

UC Berkeley - pursuing BA in computer science and minor in data science

Milpitas High School - ranked 4/750, AP Scholar With Distinction, National Merit Commended

EXPERIENCE

Academic Intern for Data 8 - *helped GSI with lab work as lab assistant*

January 2018 - May 2018

- assisted students with labs, homeworks, and projects
- created and shared textbook notes with current students

Foundations of Data Science: Computational Thinking with Python EdX Alpha Tester

March 2018 - April 2018

- assisted Berkeley MOOCLab head TA with course prelaunch
- helped polish content and student experience
- compared online course material with previous course experience

Tzu Chi Math Tutoring - *coordinator of math tutoring program*

August 2016 - June 2017

- Tutored students in math, leading to overall grade improvement and principal acknowledgement
- Individually paired tutors whose skills best fit with certain students

City of Milpitas Library - *head volunteer and event manager*

June 2015 - August 2015, June 2016 - August 2016

- Managed with a team the reading records of participating students for 8 elementary schools
- Helped organize and publicize poetry slams, reading fairs, giveaways, and movie events
- Oriented new volunteers in basic library tasks

Milpitas High School Varsity Swimming Team - *planned meet sheets and team events*

June 2016 - August 2016

- Planned and optimized swimmers' events with the coach for meets
- Lead team activities including morning practices and premeet banquets

City of Milpitas - *Lifeguard & Swim Instructor*

June - August, 2015, 2016, 2017

- Taught private and group swim lessons, as well as pre competitive swim team
- Assisted in training of new lifeguards in practice scenarios and emergency rescues
- Helped develop unified lesson plans for swimmers of all age groups

Personal Achievements

200 followers on Quora! <https://www.quora.com/profile/Roland-Chin-1>

bench 200 lbs & deadlift 320 lbs, while weighing 160 lbs
